

Kissel Kar
Klub
Celebrates
100 Year
Anniversary
of
Kissel
Motor Car
Company

In June of 1906 two brothers,
William and George Kissel
convinced their father that they
wanted to go into the Automobile
production business

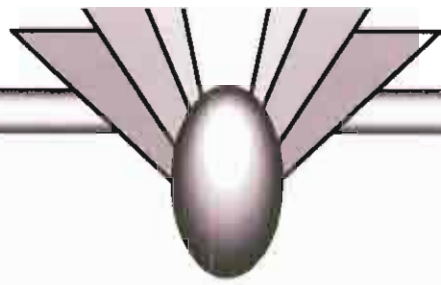

For 25 years the Kissel Motor Car
Company operated building every
type of motor vehicle including
Automobiles, Trucks, Fire engines,
Hearses, Ambulances, and Taxi
Cabs.

Kissel was the second oldest car
builder in Wisconsin and was
recognized all over the world.

We are celebrating their
incorporation June 17th
2006
at
Wisconsin Automotive
Museum
Hartford WI
"Home of the Kissel"

The Event will be
held mostly on
Saturday
However there will
be some interesting
activities for early
Friday arrivals and
Sunday departures.

The museum has
over 20 Kissel
Cars in it and
wouldn't it be great
to have another 20
Show up!

Friday or Sunday

Take a tour past famous Kissel homes and those of the engineering staff. We will provide a detailed map with descriptions of each home. You can tour by foot or a supplied bus. How about driving your Kissel on the tour and take its picture in front of one of the homes!

Take a tour of the local "Rustic Roads" around Hartford many of which were used to test run Kissel cars and trucks. Maps will be supplied.

Saturday

Mini car show with your Kissels on display for the general public and club members. Anniversary Dinner and program follows Saturday Night.

(Kissel files will be available to members to view and make copies during the weekend)
